Employee Shift Scheduling Software since 1983

Solutions for the global marketplace

“HATRAK”

The Single Most Recognizable
Employee Scheduling Software Solution

Employee Shift Scheduling Made Quick and Easy

IS YOUR SYSTEM RIGHT FOR MY ORGANIZATION?

Hatrak Schedulers deliver a high return on your investment. We are well suited to organizations with some or all of the following characteristics:

1. You have a medium to large workforce (50+ employees)
2. You have some complex overtime rules
3. You have detailed position (duty station position / post) qualifications
4. You need to track actual coverage against call for service in detail
5. You are looking to integrate scheduling and notifications
6. You want to provide employee and manager self-service features
7. You are looking for a high degree of automation
8. You want to deploy a sophisticated product with little or no custom programming

WE CAN SERVICE YOU VERY WELL!

We have been installing and supporting our Hatrak Schedulers in small and large organizations in the U.S. since 1983. Our Client Partners consistently rate us with the very best in terms of quality and timeliness of service.

We are a “bottom up” company when it comes to talking to schedulers about solving their problems. We are a “top down” company when it comes to satisfying and working with IT department.

The Result: A Proven Choice

Since
1983

Profit from our **Exposure**

When it comes to employee shift scheduling to private and public sector organizations we are experts.

Our **strong client partnerships**, technical expertise and **powerful scheduling engines** have made us a **trusted source** in the marketplace.

Join our end-user partners. As a group we are a very strong family.

ABOUT HATRAK ASSOCIATES

Hatrak Associates is a developer of employee shift scheduling software. Hatrak Associates has helped clients manage their workforce while helping them reduce “bottom line” costs and maximizing returns on investment (ROI).

Hatrak Scheduler and Hatrak Scheduler Plus (HS+) are powerful employee shift scheduling software solutions that run on the desktop, the internet, or on your intranet.

Hatrak Associates is located in Las Vegas, Nevada and was founded in 1983.

Bob Hatrak founder of Hatrak Associates continues to play an active role in every project.

Hatrak Associates is a privately held corporation.

Hatrak Associates will get you up and running in minutes and not days. Let us help you move to the best in employee scheduling software now!

“I have been working with the “Hatrak Schedulers” for more than 25 years while employed in both the public and private sectors. I have seen companies come and go! But the “Hatrak Schedulers” just get better and better.”

John Shanks
